<http://www.leescrossing.website.org/>

Summer is upon us as we roll into the upper 80s and 90s in the temperatures and the community pool usage is up and members are having safe fun and are happy with the various improvements made this year. It is important to mention that all the enhancements made this year for the community pool have been purchased with the parking meter money collected this year. As we continue to improve this community, the board of directors looks forward to make further improvements throughout the community as 2021 pushes forward.

### **A few reminders worth mentioning...**

- ◆ For those lucky members who live near the lake we ask that you keep your driveways and sidewalks kept clean as Lee's crossing has several feathered visitors alongside our community lakes.
- ◆ Trash days have been especially challenging in the community as some residents have opted to place their trash in the common areas. We ask that each resident be mindful of the trash days. Please note there are restrictions on the amount and type of trash to be picked up on the specific day. If the trash was not picked up on that day, it is your responsibility to remove the item not taken by Waste Management and arrange for pick up. For more information please visit the Waste Management Website at <https://swa.org/> or call 561-697-2700.
- ◆ With the Fourth of July Holidays approaching celebrate safely and please remember that Fireworks are not allowed in Lee's Crossing.
- ◆ As we have had success with a previous neighborhood Garage Sale our Community Engagement Committee has initiated another community Garage Sale for 2021! We hope this Garage Sale is going to be successful as this may set a new annual trend and tradition. The Community Garage Sale will be on Saturday, July 31, 2021 from 8AM to 2PM
- ◆ Front Lights for the entrance of Lee's Crossing is entering its final stages as the work will begin shortly. This project will present two benefits for the community. The first and important benefit will be safety and the second will be the awesome holiday lighting we will have during the holiday season.

If any member of the community has questions, concerns, or feedback please contact the Lee's Crossing Board of Directors at the website and numbers listed in the header.

Any Member of the community that wants to get more involved and is interested in becoming part of a great Board of Directors team please let us know!

**REMINDER: Dumping your yard waste and bulk items on the common areas is strictly prohibited. Do your part and help us keep our community clean.**

LEES CROSSING IS INVITING YOU TO A SCHEDULED ZOOM MEETING.
